

Fiscal Year 2024 HR Strategic Priorities
(Academic Year 2023-2024)

- Actively assist with the deployment of new ERP functions specific to the employee experience.
- Develop a robust Talent Acquisition Process to support the expansion of academic and workforce development programs at YC.
- Deploy an Action Plan based on the March 2023 Employee Engagement survey results.
- Support employees in identifying career and professional development opportunities that lead to increased growth and earning potential, with special emphasis given to assisting employees not currently in living wage positions.
